=				liance of all federal, state, and local law. acquire verification/certification, to the

extent of the law, from all subcontractors ensuring their compliance of said employment laws.

Code of Ethics

The goal of the members of the Home Builders Association of NEPA is to provide quality products and services at reasonable prices. Promote the wellbeing of our association and project an image that is recognized for quality and fairness within the building industry, within our community and in our country through the American free enterprise system in accordance with the following Code of Ethics:

Honesty: Honesty and integrity shall be the guiding principles by which we conduct our business affairs.

Fairness: We shall be fair in all our business relationships, i.e., pricing, contractual agreements, restraint of trade and negotiations; in order to give our customer, the best possible value for their dollar.

Laws: We shall comply with the letter, intent and spirit of all federal, state, and local laws, ordinances, directives and adopted National Standards that affect building construction. We will work with legislators and national and state organizations to improve these laws and standards. We shall abide by the By Laws of the Home Builders Association of NEPA.

Insurance: We shall always maintain amounts of insurance coverage for our business, employees, and customers as defined by the Board of Directors.

Safety: We shall provide safe and healthy workplaces, as well as construct structurally and environmentally safe buildings. We are aware of the standard of Occupational Safety and Health Act (OSHA).

Design: We shall strive to design aesthetically pleasing, environmentally sensitive, functional, well situated and energy efficient new and remodeled buildings with appropriate drawing, contracts, and specifications.

Quality: We shall conduct all construction work and related services in a careful and workmanlike manner in keeping within the building industry standards of quality.

Professionalism: We shall strive to manage our business to meet professional standards of the building industry and continue to learn by experience, education, research and sharing with one another in a healthy competitive spirit.

Scheduling: We shall provide our customers with realistic schedules and make every effort to expedite the work on these projects to meet the scheduled dates.

Warranty: We shall acknowledge any defects in our workmanship and materials and if necessary, correct them in a mutually agreeable and timely manner.

Payments: We shall pay all of invoices in a mutually agreeable arrangement with our creditors.

Opportunity: We shall be an equal opportunity employer and not discriminate in the sale of any of our products and services or in our hiring and employment practices.
