## Workers' Compensation Program

The PBA Workers' Compensation Program is an "alternative market program" established by the Pennsylvania Builders Association in 1999 to help members leverage their group buying power to save on workers' compensation costs. Since inception, the program has grown to over 600 accounts with an excess of \$8 million in premium volume.

Pennsylvania  
**FOUNDATION**  
for **Housing**  
*Building Tomorrow's Industry Leaders*

Today's construction trade students are Pennsylvania's future builders, contractors and business owners. The Pennsylvania Foundation for Housing, Inc.'s primary focus is to foster the development of a strong future workforce for the home building industry in PA through the PBA's *Endorsed Trade Program* & other educational opportunities. With your help we can fund scholarships and support programs for students who truly want to learn a trade or build a profession in residential construction.

*The Pennsylvania Foundation for Housing is a tax-exempt organization under Section 501(c)3 of the Internal Revenue Code.*

As a member you can play an important role in development of the workforce of the future. The PBA and HBA of NEPA are committed to a viable, high-quality construction industry and the workforce to support it. We volunteer our time and collaborate with schools throughout PA to provide students with industry recognized certification to strengthen their skills and qualifications.

The Pennsylvania Committee for Affordable Housing is PBA's political action committee. PaCAH's responsibility is to raise and distribute funds for contributions to candidates for Pennsylvania's General Assembly and designated statewide races. PaCAH exists for these key reasons: to protect your business, your interests, and your industry. Electing lawmakers who will fight for your best interests is what PAC is all about.
